7:00 PM—8:30 PM**

ROYAL RANGERS

As a ministry to boys, Royal Rangers offers a program that is Bible-based and Christ centered. The ages are 5 to 14 years old, and they are divided into 4 groups with each group having a different theme. Individual outposts have various activities throughout the year, such as campouts, rocket launch, and the Pinewood derby.

GIRLS' MINISTRIES

Girl's Ministries is an achievement program that trains girls ages 5-14 to follow Jesus. It consists of 4 groups and is a place for girls to invite their friends, gather with other girls who love God, be given opportunities to discover and develop their talents, and be mentored by a sponsor who cares for them.

RAINBOWS

The Rainbow program is for boys and girls, ages 3 to kindergarten. The Rainbows' theme is Noah's Ark and the children earn animal badges each month while memorizing God's Word and completing activities.

ADULT SUNDAY DISCIPLESHIP CLASSES

SUNDAY MORNINGS FROM 9:30—10:30 AM

“Characters, Character and a Country”

The Book of 1st Samuel

Teacher: Paul Anderson

Room: 217

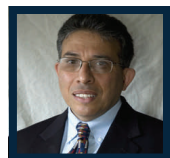

First Samuel is a fascinating study of the transition of leadership in Israel from judges to kings; from a theocracy (God rule) to a human king. Three characters are prominent in the book: Samuel, the last judge and the first prophet; Saul, the first king of Israel; and David, the king-elect, anointed but not yet recognized as Saul's successor. The spiritual depth, the wonderful history and the beautiful biblical principles in this book make it a joy and a pleasure to study. Come join us as we plumb the depths of this remarkable book and grow in our understanding of God's Word.

“Freedom, Faith, Joy and Thanksgiving”

Books of Galatians and Philippians

Teacher: Joe Valenti

Room: 104

In the book of Galatians, we learn about the dangers of abandoning the gospel of faith for a gospel of works. Paul teaches us that blessing comes from God on the basis of faith, not law. Faith sets men free to enjoy liberty in Christ. But liberty is not license, and freedom in Christ means freedom to produce fruits of righteousness through the Spirit-led lifestyle. In Philippians we learn unity in the Body is achieved by humility and service which leads to a oneness of purpose, attitude, and labor. We also learn that true joy is only possible in Christ as we conduct a life of thanksgiving. Join us as we learn how to have freedom and faith, joy and thanksgiving, and live in the “peace of God” which will “guard our hearts and minds through Christ Jesus.”

“Big Picture Bible Study”

Old Testament Survey

Teacher: Pastor Ken Marshall

Room: 201

This class is a must for having a solid understanding of the Old Testament and a strong foundation for studying the Bible. Starting at Creation and ending at the rebuilding of Jerusalem and the Temple, this class studies the twelve major events that occur in the Old Testament and the people associated with them. As we study this overview of the Old Testament, we also become familiar with important Bible geography such as: bodies of water, mountains, travel routes, and topography. As one of the three courses recommended as a prerequisite for church membership, this class will be a giant step towards understanding the Bible and a key for comprehending the New Testament. Join us as we explore the exciting events of the Old Testament and see the hand of God extended to man in grace, mercy, and love.

WEDNESDAY MORNING BIBLE STUDY 11:30 AM—12:30 PM

THE BOOK OF REVELATION

Teacher: Pastor Ken Marshall (Sanctuary)

Just as Genesis is the book of beginnings, Revelation is the book of consummation. In it, the divine plan of redemption is brought to fruition and the holy Name of God is vindicated before all creation. Its title means “unveiling” or “disclosure.” In this class we will examine church history from the end of the book of acts to the revealed events of the last days. This book centers on visions and symbols of the resurrected Christ who alone has authority to judge the earth, remake it, and rule it in righteousness. Join us Wednesday mornings for this exciting view of end times through the blessing of the book of Revelation.

WEDNESDAY NIGHT SCHOOL OF THE BIBLE

7:00—8:30 PM

“Kingdom Principals for Living in the 21st Century”

Teacher: Pastor Pat Medeiros

Room: 201

Fashions change, car designs change, technology changes, but do God's principles for Kingdom living ever change? How do we live for Christ in the 21st century when so many things are tugging on our lives for attention? Jesus gives us the key in the Sermon on the Mount. The main theme of true righteousness provides for us a spiritual compass that points the way to Kingdom living in the 21st century. Jesus addressed this message to individual believers, not the unsaved world, thus His sermon has definite applications for us today. What was taught in the Sermon on the Mount is repeated in the New Testament Epistles and is a sure guideline for living a life of righteousness founded on Kingdom principles. Join us as we examine the greatest sermon given by the greatest Teacher of all time and learn the principles of Kingdom living in the 21st Century.
